

i-Math Pte Ltd and National Institute of Education would like to invite you to attend **"Using Emerging Technologies in LMS Innovation Seminar"** on **19th May 2006** at National Institute of Education.

Using Emerging Technologies in LMS Innovation Seminar

19th May 2006

National Institute of Education, Lecture Theatre 2

1400hrs – 1700hrs

About the Seminar

The Ministry of Education has been emphasizing on the use of technologies for learning in schools. Technologies have become a part of school life and contribute to today's learning and assessment.

This seminar highlights on how you can uncover a new dimension in Learning Management System. It emphasizes on the use of "Artificial Intelligence" to guide and assess the pupils so they can understand not just the correct answers but the concepts behind the subjects as well.

Make learning and assessment fun today! Find out how this would be possible NOW!

About the Trainer

Mr Joel Ng, a Program Consultant from i-Math Pte Ltd, graduated from the National University of Singapore with Honours in Electrical and Computer Engineering in 2002. He has been actively involved in Singapore schools Online Education and has worked with various departments in NIE, including the MME and NSSE departments on Effective Online Tools to help students learn better using Web Resources. Joel's current specialization is to find a robust system for Online Tests and Assessments.
